UK Trade & Investment

Global Entrepreneur Programme

Accelerating global success

GEP is a partnership
between UK Government,
a team of experienced
entrepreneurs and you

**Global
Entrepreneur
Programme**
Accelerating global success

GEP is a partnership
between UK Government,
a team of experienced
entrepreneurs and you

GEP makes no charges, %'s,
equity conditions or even
written contracts – there's an
informal agreement between
GEP and you

GEP is a partnership
between UK Government,
a team of experienced
entrepreneurs and you

GEP requires that you
make the UK your
primary business location
but we encourage you to
trade globally

GEP makes no charges, %'s,
equity conditions or even
written contracts – there's an
informal agreement between
GEP and you

GEP is a partnership
between UK Government,
a team of experienced
entrepreneurs and you

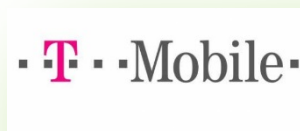

GEP is limited to offering
participation to about 75
new businesses each
year

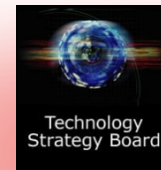

GEP requires that you
make the UK your
primary business location
but we encourage you to
trade globally

GEP makes no charges, %'s,
equity conditions or even
written contracts – there's an
informal agreement between
GEP and you

A close-up photograph of a person's face, likely a woman, with vibrant red, white, and blue body paint or makeup applied in a pattern reminiscent of the Union Jack flag. The person has a wide, joyful smile, showing their teeth. On the left side of the image, a string of large, clear, spherical beads is visible. The overall mood is celebratory and festive.
